Kabinett: Typical Mosel no longer exists: Light, mineral, fruity. That's the essence of the term Kabinett in the traditional sense, and that's how it's interpreted here as well. A wine type that appears in this consistency only on the Moselle.

Description: The Kabinett is usually the first single vineyard wine harvested in the year. Greenish-yellow grapes without overripeness form the basis for this crisp-refreshing off-dry wine type, which is enjoying a true renaissance.

Rating: Gault Millau 90 points!

Food Pairing: Ideal as a low-alcohol terrace wine, but also great with Asian cuisine.
